Workshop agenda

Day 1
National large-scale learning assessments in Sub-Saharan Africa

Day 2
National large-scale learning assessments’ dimensions

Day 3
Identifying strategies for a better use of national large-scale learning assessments
Workshop’s objectives

- Analysing the national learning assessment system and reviewing previous experiences
- Starting a strategic thinking about national learning assessments function in promoting quality education
- Learning from promising practices and identifying the best approaches and tools concerning development, implementation and strategic use of effective large-scale learning assessments in every context
- Identifying key elements for planning sustainable national large-scale learning assessment programmes aiming to contribute to quality education and to develop national plans based on feasible recommendations
- Linking experienced practitioners, experts and institutions specialised in education cooperation
Participants

Directors of:

- Assessment
- Planning

In 12 countries of SSA
Methodology & Facilitation

National presentations

Technical presentations

Team work

Daily follow-up and feedback

Orientation and support: UNESCO (including IIEP & UIS), UNICEF, ACER
What do you expect from this workshop?
Thanks a lot!
