Alignment

Short loop

- Agree on what we value (curriculum + assessment)
- Devise sound ways to assess it (assessment + curriculum)

- c) Explain to our teachers through many different strategies & materials (INSTT)
- d) Assist and monitor the teachers in implementation (INSTT)

Long loop

- e) Assess (classroom and whole system) and give feedback (to students and teachers)
- f) Share information widely with stakeholders in a constructive way (not for blaming)
- g) Use conclusions to rework TTI's
